

ENVIRONMENT POLICY

MANDAR ORGANICS is committed to sustainable, eco-friendly practices in pigment preparation manufacturing. We strive to minimize environmental impact and improve processes for a healthier planet.

Compliance and Commitment

We adhere to all environmental laws and industry best practices, focusing on waste reduction, resource conservation, and sustainability in operations.

Sustainable Sourcing

- Use sustainably sourced, biodegradable, and non-toxic raw materials.
- Partner with ethical suppliers and promote renewable resources.
- Implement sustainable supply chain practices.

Energy and Resource Efficiency

- Optimize energy use, incorporating renewable sources where possible.
- Reduce water consumption and enhance efficiency.
- Invest in energy-efficient technologies.

Waste Management & Pollution Prevention

- Reduce, reuse, and recycle materials.
- Properly dispose of waste in compliance with regulations.
- Minimize emissions and carbon footprint.

Recyclable Packaging

- Use recyclable packaging.
- Reduce packaging waste while maintaining product integrity.
- Encourage customer participation in recycling.

Awareness & Continuous Improvement

- Train employees on sustainable practices.
- Collaborate with industry partners on eco-friendly innovations.
- Regularly review and enhance environmental initiatives.

Community Responsibility & Accountability

- Support local environmental initiatives and programs.
- Engage with stakeholders to promote sustainability.
- Set measurable goals, conduct audits, and publish sustainability reports.

-Mr. Kishor Pradhan/ Mr. Mandar Banbakode
